BASEMENT PLAN ELEVATION A

Marketing Square footage includes finished basement area(s). All illustrations are artist's concept. Specifications, terms, prices and conditions are subject to change without notice. These floor plans and room dimensions apply to elevation 'A' of this model type. Actual usable floor space may vary from the stated floor area. Additional risers may be required for 9' basements and 10' main floor ceilings. Elevations may change if optional garage is chosen. Note that plans and room dimensions may vary according to elevation. Please consult your sales representative for details. Location of furnace, hot water tank and support posts and beams are determined by the HVAC designer and architect respectively. Number of exterior steps may vary depending on the lot grading conditions. E. & O.E. (85-13) March 2014.
